

UK FOOD GROUP

presentation by

NORMAN LEASK

Scottish Crofting Federation

What is a Croft?

A piece of paradise surrounded
by views, flowers, animals, birds
and aquatic life that people would
die for, AND DID.

**Not as some people say a small piece of land
smothered by legislation**

HERE ARE SOME CROFTERS

Below:
Robbie Lee feeding da hens
Top left:
Kevin Hay clippin on da banks
brew in a peerrie isle
Bottom left:
An auld crofter enjoyin a smoke
o da pipe after turning his hay
